

# Dream BIG!

Let's track your progress!

This is my favorite part of working on a goal: tracking my progress. You can use color and stickers and the computer and whatever else!

Let your creativity be your guide; you know what you like. And remember those mini goals you set? These will make it super-easy for you to track how close you are to achieving your big dream.

I've included a few trackers for you to use; print them out & use them if you want! Feel free to make use of them or create your own. Share it with your family; they'll love to see what you're doing!

# Color it

Color in each section as you finish one of your mini goals!

# Great job!

Awesome! Did you create your own progress tracker or use one of the ones included here? Either way, I'd love it if you took a picture and shared it with me! You can email them to me at [tiffany@sweetphenomena.com](mailto:tiffany@sweetphenomena.com).

Keep working on achieving that goal; you'll be celebrating your achievement before you know it!
